The Lenswood and Forest Range Community Association Inc was formed in 2011.

Our Association consists of a small group of volunteers who work together for the purpose of preserving and promoting the interests of the Lenswood and Forest Range Community.

We would like to invite interested members of the community to join us for a meal and social evening.

After dinner Ben and Clare Anderson will give a talk on their experiences as wine-makers. This will be followed by a short AGM to elect the new Management Committee. We would welcome any interested members to join our group.
